Start learning on Language Academy: Proficiency Test

Your first step is the Proficiency Test. It gives you a valuable snapshot of your language skills.

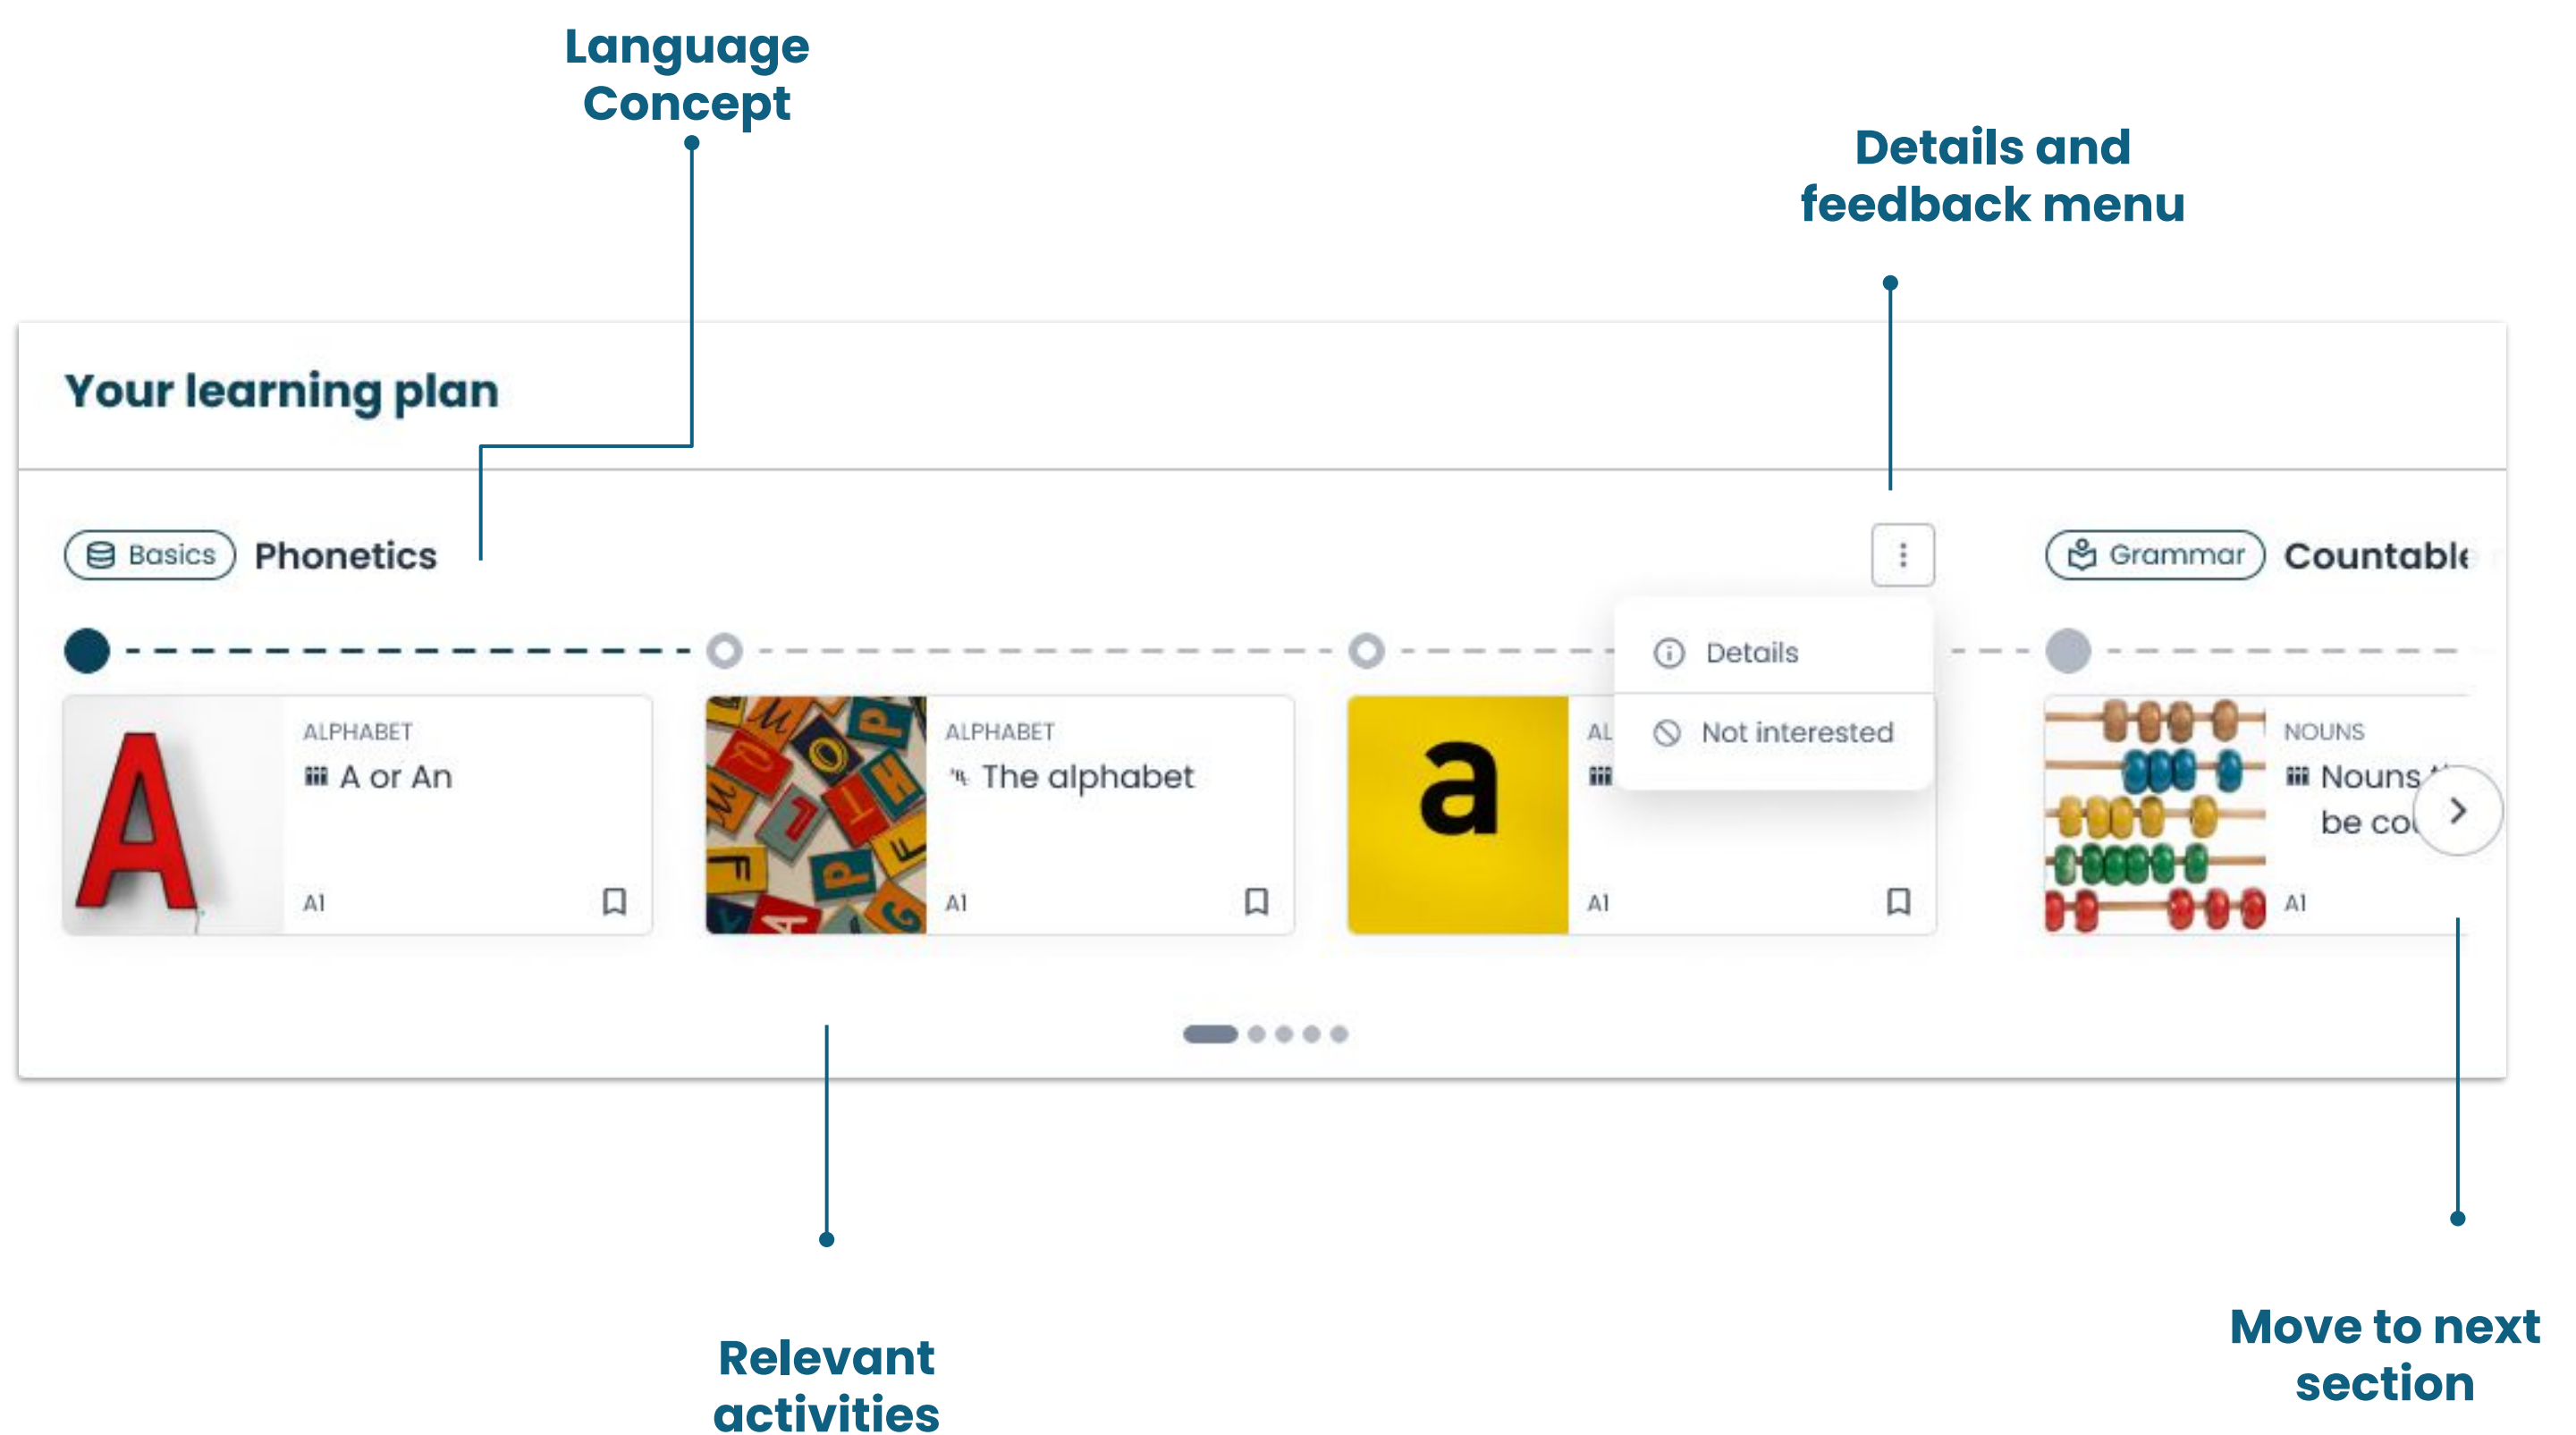

- **Ensure your audio works.**
- Set aside **around 25 minutes.**
- Pause and **resume as needed.**
- Earn a **downloadable certificate.**

Find it in your learning plan or in the dropdown menu next to your name.

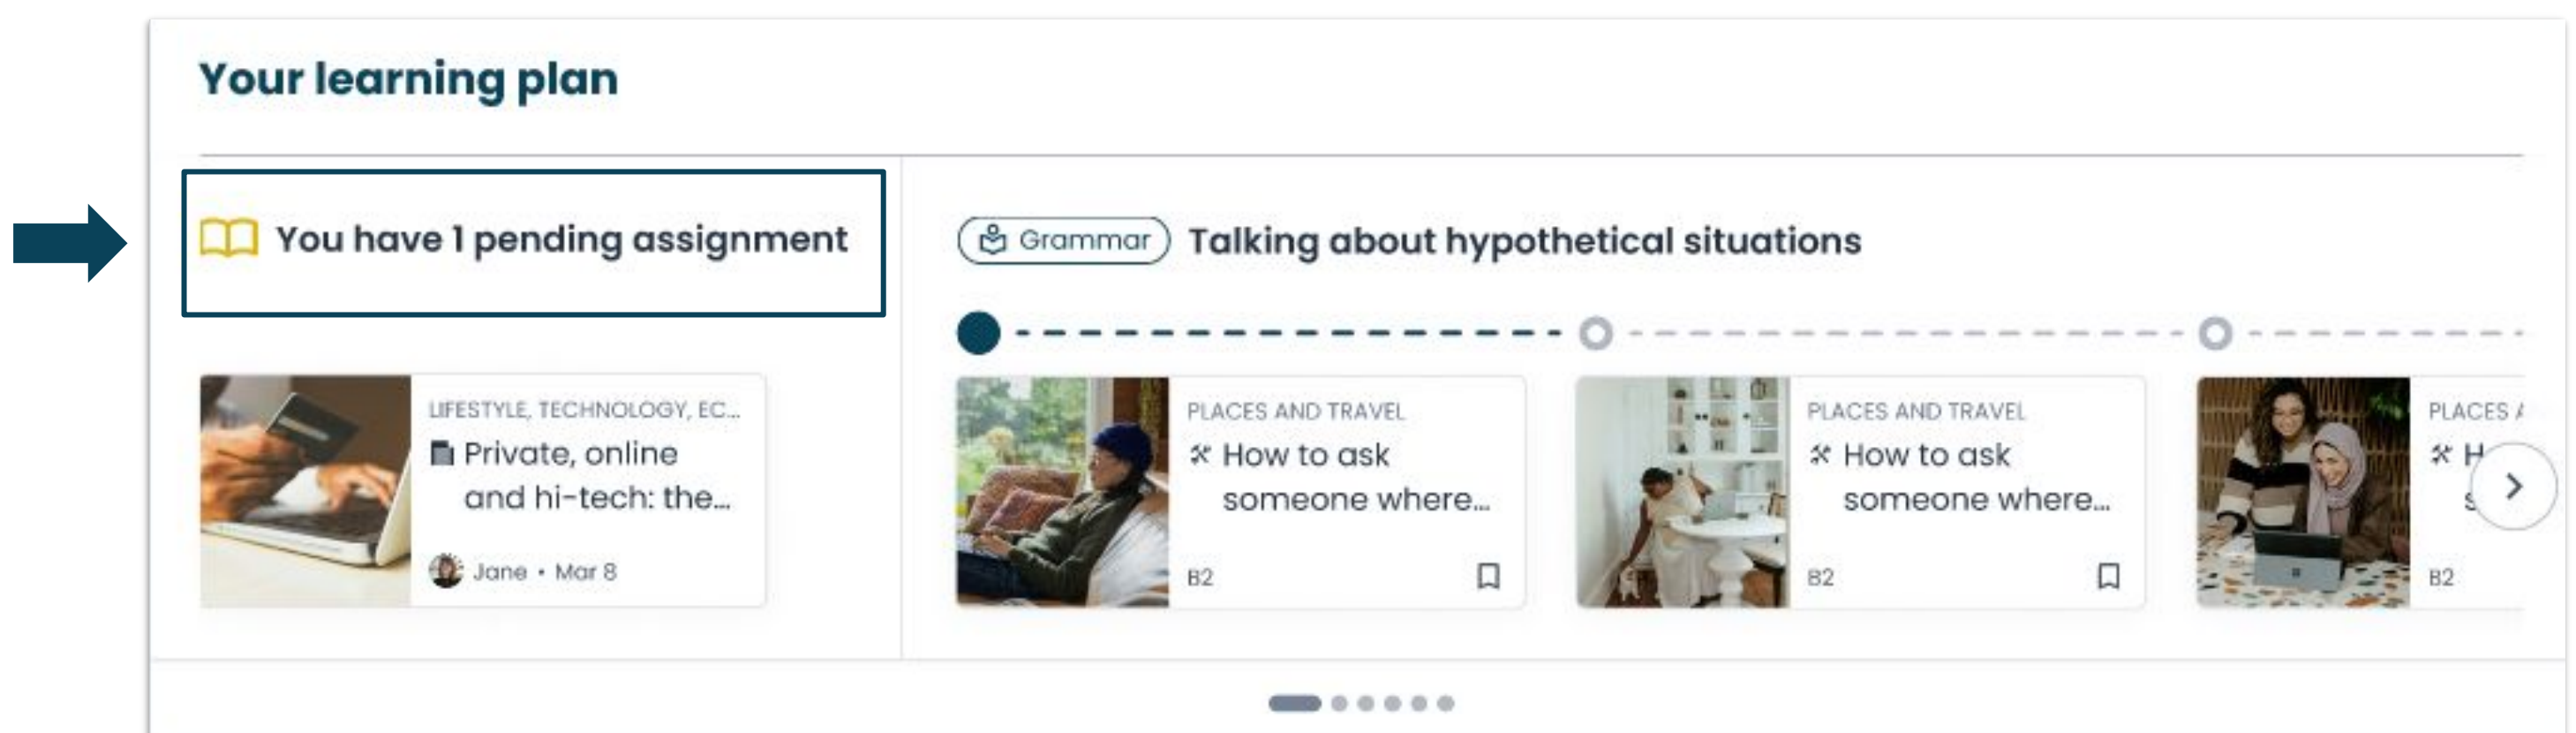

Start learning on Language Academy: Learning Plan

Your learning plan is right at the top, making it easy to kick off your language journey.

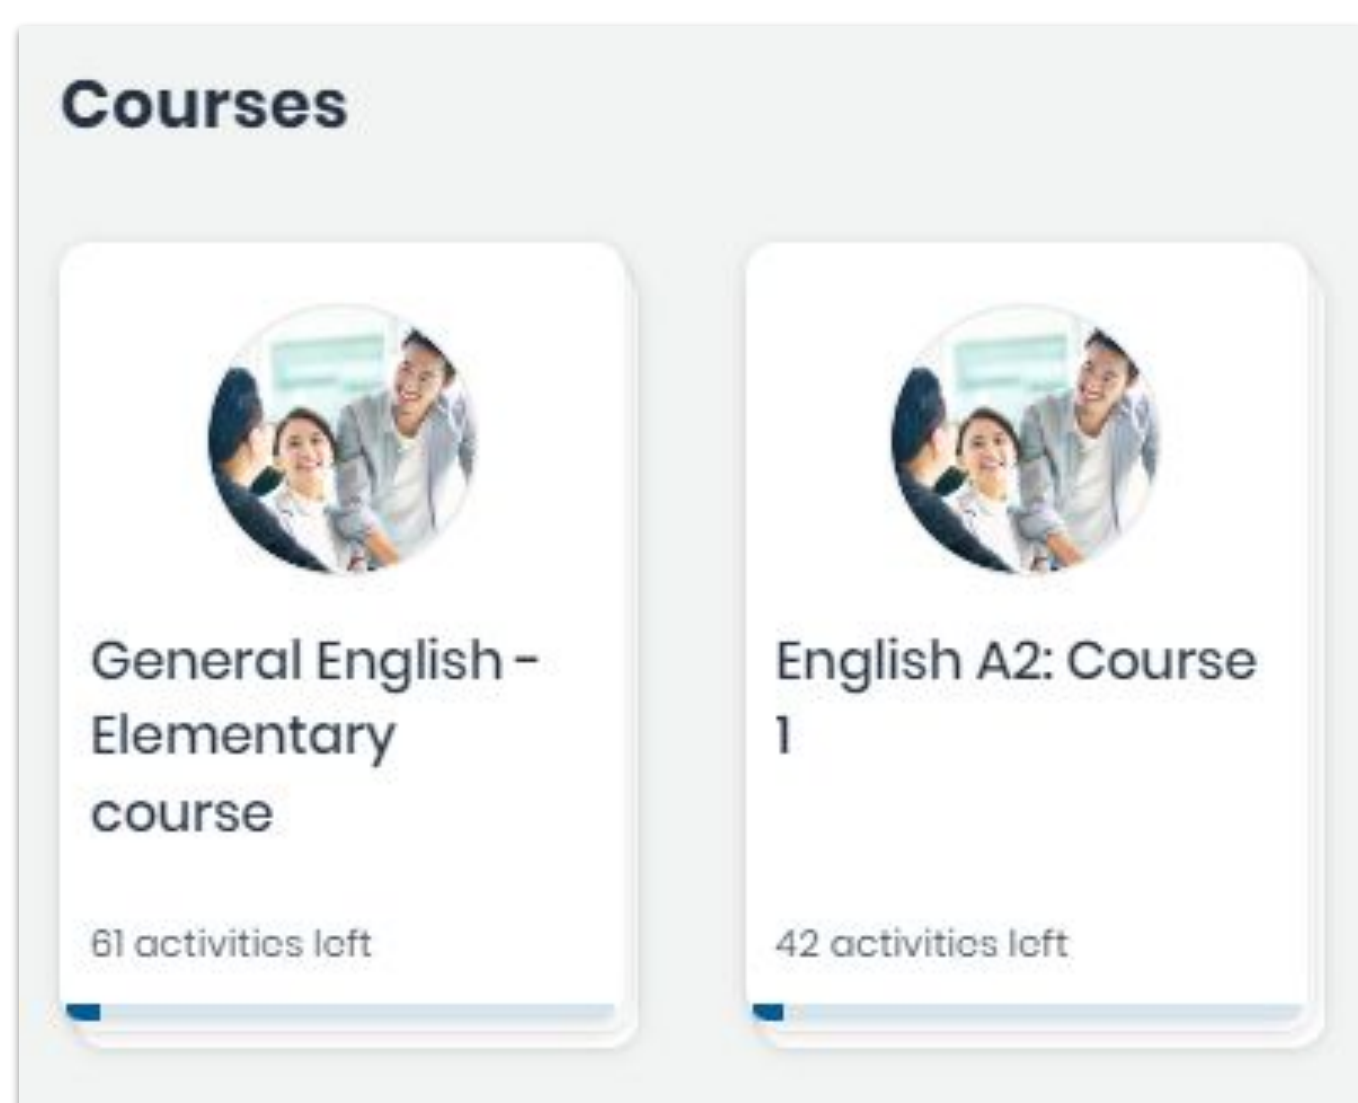

Select an activity to begin learning.

Start learning on Language Academy: Assigned Resources

Your assigned courses or activities will appear in your learning plan or directly underneath it.

Assigned Courses

The Courses section will appear below your learning plan whenever you are assigned one or more courses.

Be aware that assigned activities and courses can have expiration dates. **Make sure you complete them** with enough time.

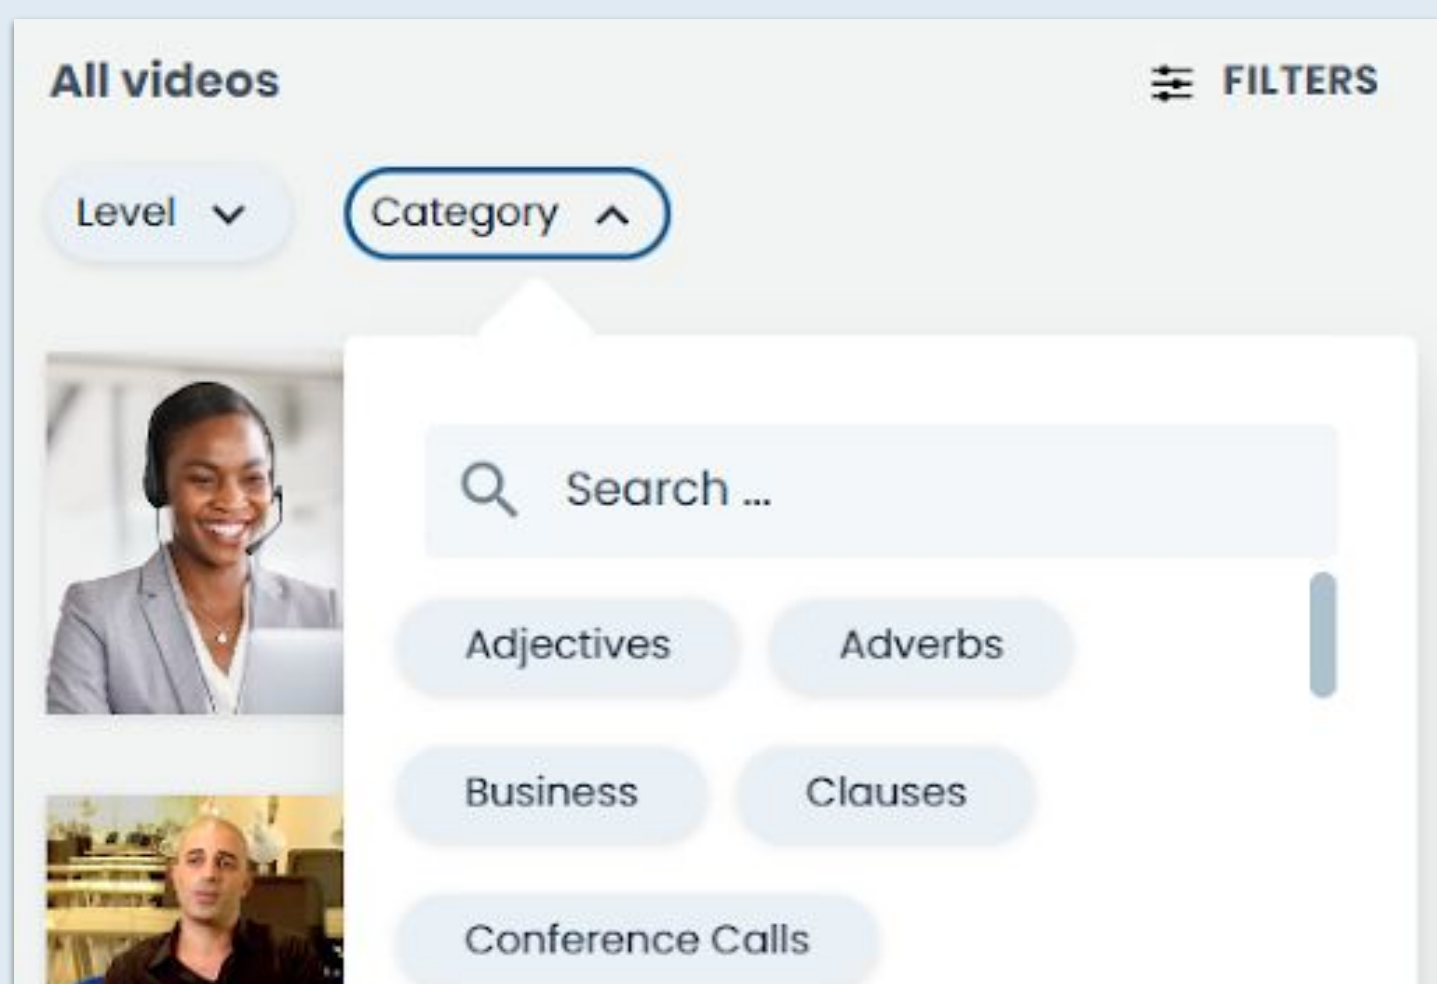

Explore eLearning resources with ease

Use the search bar at the top of Language Academy to enter a search term. (Select “What do you want to learn today?” and start typing)

Looking for specific activities?

- Select “Browse all” for any activity type on the homepage.
- Apply Filters to narrow down results by “Level” and “Category”.

Language Essentials >	Business Writing
Professional Skills >	Leadership
Jobs & Industries >	Meetings
Global Communication >	Negotiations
Trends & Interests >	Phone Calls
	Presentations

Searching for Courses?

Go to the “Browse” menu next to the search bar, pick a category, and explore available courses.

Pick the course or activity that is right for you.

Completing activities

Each activity has several parts. The “Practice” part must be completed to finish an activity.

Complete both “Learn” and “Practice” parts

How to know you have completed the “Practice” part:

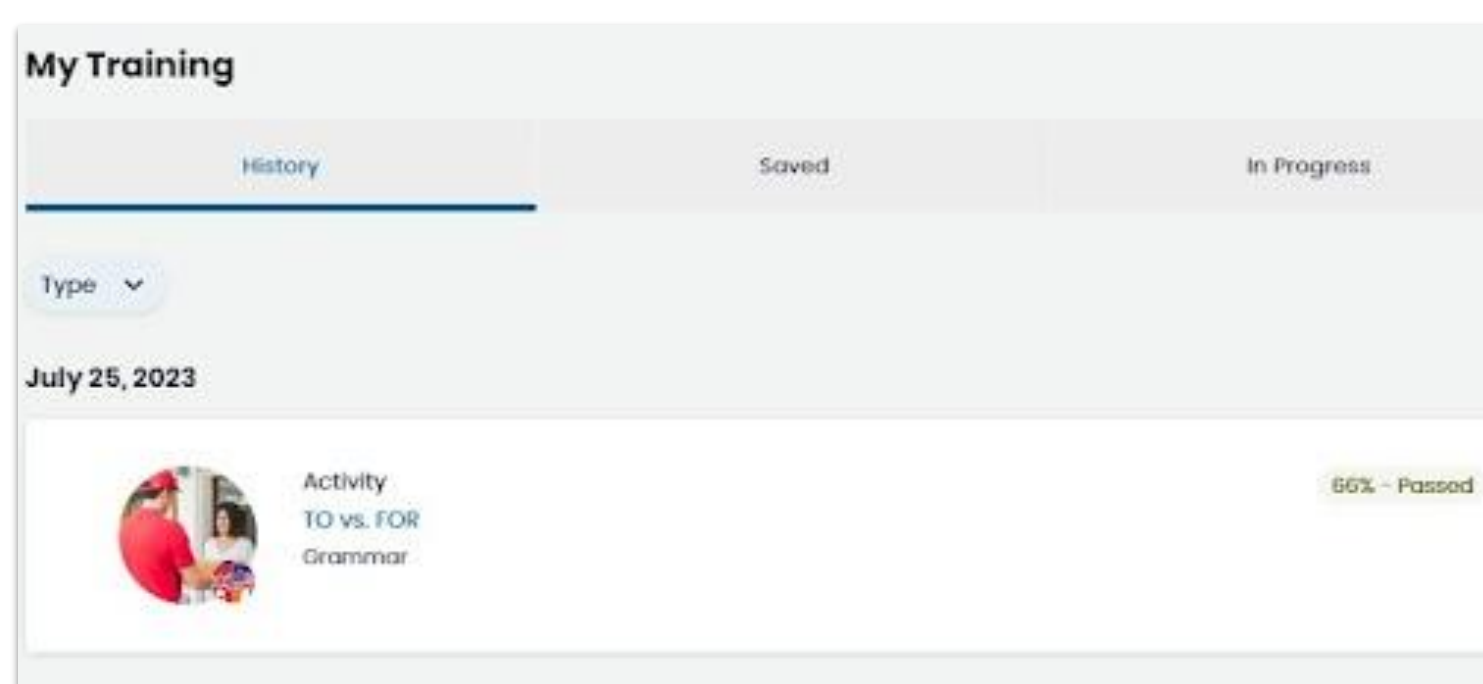

- You will **see your score**.
- You will see the following buttons: “Retake Quiz” or “Review Answers”.

Don't stop until you see your score!

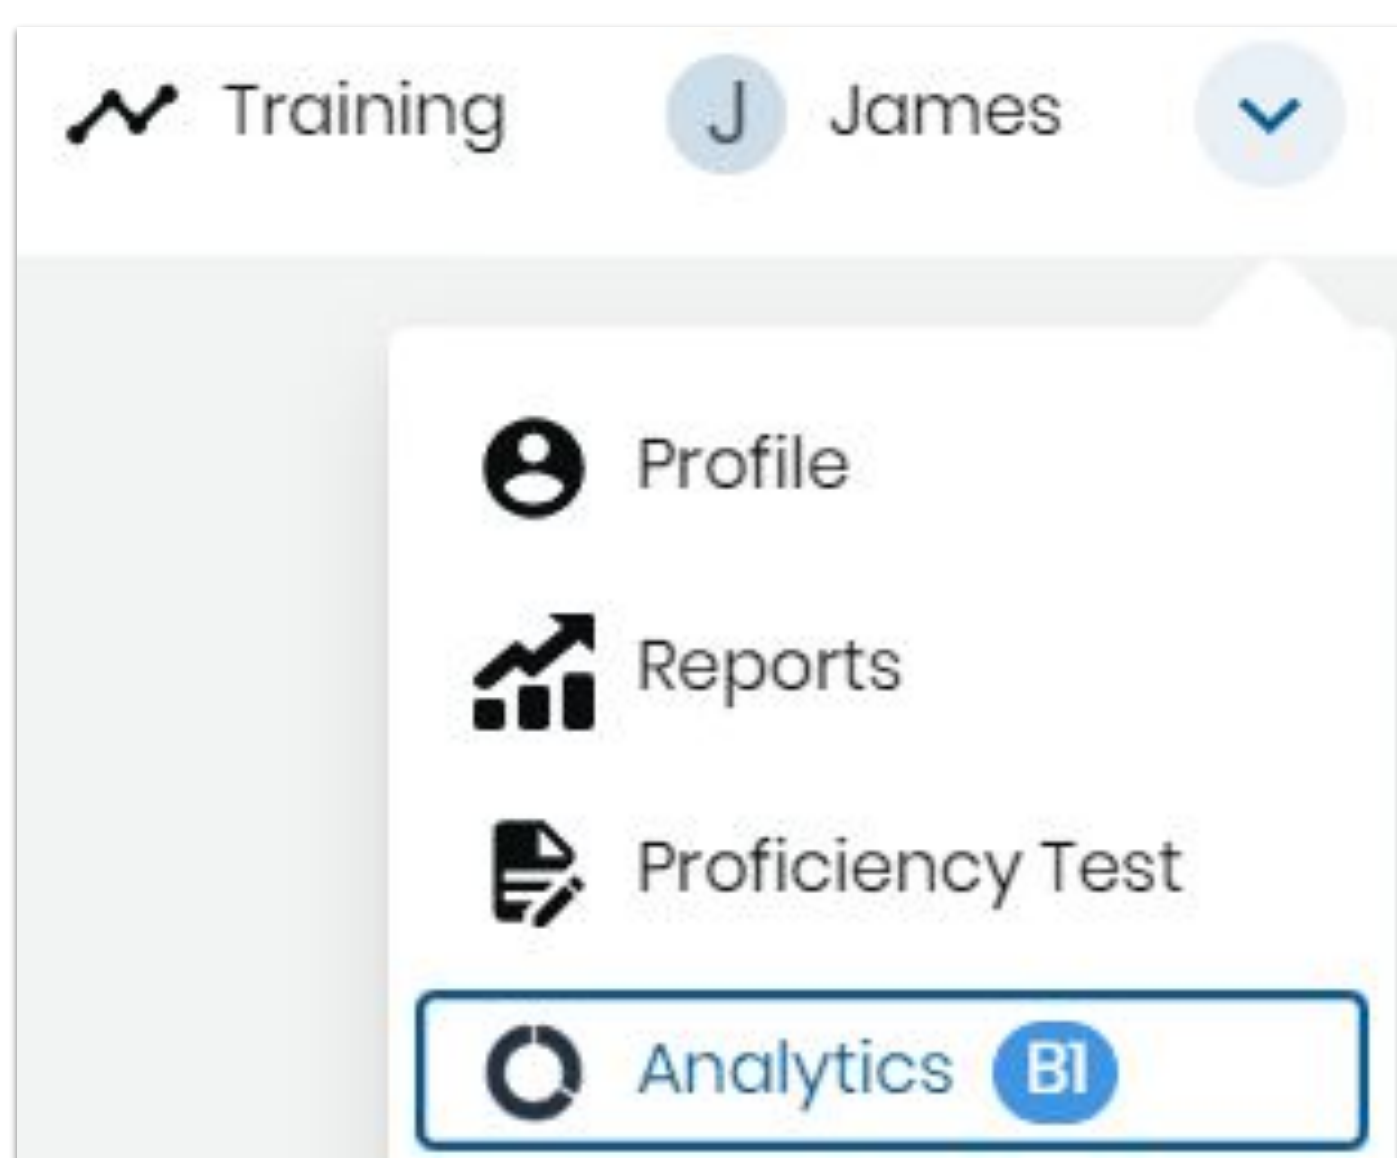

Track your language learning

The Training section has the following tabs:

- **History:** Review your completed activities.
- **Saved:** Access the activities you've bookmarked.
- **In Progress:** Finish the activities you started.

Go to Training to keep track.

The Analytics section contains the following:

- **Proficiency certificate:** Download your certificate.
- **Insights:** Track trends in your learning journey.

Go to Analytics to learn more.

Thank you!
